

## Kasznar Leonardos welcomes new partners for 2020

Kasznar Leonardos is delighted to announce that on January 2020, Aline Ferreira became a new partner in our Litigation Department and Patrícia Lopes in our Patents Department.

Aiming at better serving our clients, Kasznar Leonardos is actively engaged in talent recognition and in organic and sustainable growth. The firm will now have 22 partners and a total of 220 people.

Find below the profiles of the new partners:

### **Aline Ferreira | Litigation**

Attorney at Law, Master in Intellectual Property Law from Cambridge University, Post-graduated in Intellectual Property Law from PUC-RJ. Specialized in litigation, with focus on pharma and biotechnology.
